RE: Reclamation Surety, Ziegler Chemical & Mineral Company, Ziegler Gilsonite Mines, M/047/013, Uintah County, Utah

Several Ziegler Gilsonite Mine sites which are on State Lands are included in the mine permit on file with the Division; however, these sites are bonded with State Lands only. The Division recognizes the bonds held by State Lands for the following Ziegler sites:

Independent #5	1.20 acre \$5,000 bond ML 851-A
Cottonwood #1&2	1.24 acre \$5,000 bond ML 20780,20781,851-A
Cottonwood #3	1.50 acre \$7,500 bond ML 20779 & 19868
Little Bonanza 8A	1.0 acre \$5,000 bond ML 20776

Before releasing or adjusting the Ziegler reclamation surety the Division must contact State Lands. In a like manner, State Lands should contact the Division before releasing or adjusting the reclamation surety for those Ziegler sites on State Lands.
